Thank you for getting my idea in a few words. Huge pleasure to communicate with such brilliant mind as you...

There are links to the companies:

1. Away from Moscow - we leave on Monday very early to the factory and come back taking the latest flight from Russian city Kazan'. The factory is here <http://molot.biz/index.php?route=common/home>
2. In Moscow there is <http://en.orsis.com/guns/>
3. We will also meet the co-owner of the company LLC Artemida Arms. They do not have an English version of their web site but here is the link to Russian <http://www.artemida-hunter.ru/> . I do not know what information you should give, let me know if you need any details about them.
4. I am working with one more meeting of you and the owner of <http://www.kolchuga.ru/en/about-us/> but if he is going to be in Moscow. He is very sick for last 3 month but only he is the decision maker there. So I still have a hope.

Let me know if you need anything else.

Sincerely,
Maria Butina

This is an opportunity here.

Would you forward the contacts and companies we will be touring please. I must run all

contacts through our own lists to be in compliance with U.S. State Department.

Pete

Good! I am looking forward to hear any updates from you. I just got news about Russian economical sanctions that Putin put on Turkey. As you know, Turkey WAS the biggest exporter of weapons to Russia... now would be an excellent time for an American genius to steal this market . . .

This sound alike a great opportunity. Before committing I have items to shuffle around.

Thank you for such an opportunity. I'll be working on figuring out how to get to Russia on the 5th.

All the best

Pete.

Dear Pete,

Happy late Thanksgiving! I have something, as Americans say, to add to your «pile of blessings»! I just got the confirmation from the largest Russian gun manufacturer that they have cleared all security hurdles and would love for you to tour their facility on Monday, December 7.

This one day trip for you and me would follow meetings in Moscow with representatives of other manufacturers on Sunday, December 6. I know that you are still preparing your schedule and don't yet know if you can arrive in Moscow a few days ahead of the main NRA delegation, but I wanted you to know that this would DEFINITELY be profitable for you if you could!

I am also attaching the (near) final Moscow itinerary for the NRA delegation that you'll now be leading — it is extremely interesting (with a last night surprise!). Everything should be clear with my background notes on the people you'll be meeting and places that you'll be visiting, but you can call or write to me at any hour (don't worry about the time difference between Iowa and Moscow) with questions or suggestions.

I look forward to your decision about your «Brownell-only» early VIP trip! It's very important.
